The Fayette County Sheriff's Office received a call at 11:22 a.m. from a concerned citizen reporting a suspicious vehicle and person(s) at the Rental Storage Locker business located on Greenfield-Sabina Road in New Martinsburg. Upon arriving in the area to check the complaint, Deputy Andrew Parks and Deputy Jon Campbell observed a red Chevrolet Blazer matching the description provided by the caller as it was departing the area of the storage lockers, reportedly at a high rate of speed and failing to stop before entering Greenfield-Sabina Road. Deputies then reported observing the vehicle turn into a private drive and traveling at a high rate of speed back the lane. As Deputy Parks activated his emergency lights, he reported that the driver of the vehicle failed to comply with the traffic stop and fled at a high rate of speed. Deputies pursued the vehicle in the area of Perry Township in Fayette County before entering Highland County on State Route #28 toward the Village of Leesburg. The pursuit continued onto Barger Road off State Route #28 and re-entered Fayette County. The suspect vehicle failed to comply with the posted stop sign at the intersection of Barger Rd & Stafford Rd in Green Township and continued, reportedly passing several motorists at a high rate of speed. The suspect vehicle turned north on U.S. Route #62 from Barger Road and was stopped shortly thereafter by deputies in the area of U.S. Route #62 & Greenfield-Sabina Road. The driver was taken into custody and identified as Ronnie Lee Brill, Age 44 of Washington Court House. A passenger in the Brill vehicle was briefly detained but was not charged and later released. The man charged in the investigation is identified as Anthony B. Adkins, Age 40 of Washington C.H., Ohio. According to Sheriff Vernon Stanforth, his detectives and agents from the US 23 Major Crimes Task Force initiated an investigation following complaints of suspected drug trafficking with Mr. Adkins preliminarily identified as the suspect. Detectives and Task Force agents conducted multiple covert drug sale transactions with Mr. Adkins over a 6-month period of time. On June 29, 2018 sheriff's detectives intercepted Mr. Adkins returning from the Dayton area in a black Lincoln SUV. A traffic stop was initiated by law enforcement on State Route #72 just south of Interstate 71 in Clinton County, however, Mr. Adkins failed to comply and led deputies on a chase that concluded on Gallimore Road near State Route #72. Mr. Adkins traveled off the roadway, driving through an agricultural field to evade law enforcement. Detectives pursuing the vehicle could observe Mr. Adkins discarding objects out of the driver's window of the vehicle before coming to a stop and being secured by deputies. After Mr. Adkins was in custody, detectives located a bag containing a white powdery substance on Mr. Adkins person and also recovered two additional bags containing a white powdery substance in the field where Mr. Adkins was observed discarding them out the vehicle window before capture. The baggies containing the substance were presumptively identified as cocaine.
